

Want to add a learner to your account? No problem!

If you're a shareholding member with a 5F licence or equivalent, you are welcome to add someone with a learner's licence to your account. Not already a co-op member? Review our [Member Manual](#) and [sign up today!](#)

Adding a learner comes with special conditions. First, you'll pay a \$500 deposit in addition to your member share.

Learning drivers will not receive their own fob or app access. Instead, they'll be permitted to drive on bookings associated with your account. During these bookings, the learner must be supervised by a full licence driver authorized on your account (see Additional Driver terms in our Member Manual).

Accounts with a learning driver must join our Median Protection Program. Every driver on your account will be covered by this program.

If a learning driver is in a collision without the required supervision, their licence is deemed invalid, and all associated costs will be your responsibility as the account holder. Your account will be closed if a learning driver is found driving unsupervised, regardless of collision.

Once the learner has demonstrated proof of their intermediate licence, they will gain app and fob access and can drive unsupervised. We'll refund your \$500 deposit when the learning/intermediate driver leaves your account or once they've earned their 5F licence with clear driving history. At that point, everyone on the account is welcome to join the Damage Pool, which can reduce your damage responsibility to as little as \$0. As the account holder, you must inform Peg City of any licence changes.

Ready to add a 5L driver to your account?

Step 1: Read the [Member Manual](#) with the applicant. Please contact our Member Services team if questions arise.

Step 2: Driving History, Forms, and ID verification

1. Complete the form at the end of this document.
2. Take two photos: one clear photo of the front of the learner's licence, one of the back, and another clear photo of the learner/applicant holding the licence. If the learner's licence does not have a photo, we will still require a clear picture of it, along with a photo of another form of government-issued photo ID and a photo of the learner/applicant holding that ID.
3. Send your completed form and photos to info@pegcitycarcoop.ca.

Step 3: We will review your application once we've received all required documents. Next, we'll contact you to arrange the \$500 deposit and let you know if further steps are needed before we activate your account.

Thank you!

Member Declaration

I authorize the learning driver, who is 16 years of age or older, to drive with proper supervision on my account.
I understand that the learner must be supervised by a 5F driver on my account until they've proven to Peg City that they've earned their 5I licence.
I hold a Manitoba 5F licence or equivalent.
I am the learner's emergency contact.

Acknowledgment of Terms

	Initial
It's my responsibility to know and follow the driving laws for learners .	
I understand that because I'm allowing a learning driver on my account, I will need to deposit an additional \$500. This will be refunded to me once the learner has shown proof of their 5F licence or has been removed from my account.	
I understand that all drivers in the account, including myself, will be enrolled in the Median Protection Plan*. We are not eligible to enroll in any other Damage Protection Plan until everyone on my account has a full 5F licence.	
OR	
I have Collision and Damage Insurance (CLDI) coverage.	
I understand that if a learning driver is found operating a Peg City Car Co-op vehicle without proper supervision, my account will be suspended immediately. If the learner is in a collision without proper supervision, all damage costs will be my responsibility as the account holder.	
I've read and understood the Member Manual and agree to be bound by it.
